Bridge Project: *Group Self-Evaluation*

Due at Final Exam or other time designated by the instructor.

To maintain confidentiality, FOLD this sheet in half (to 8.5×5.5") so that this side is not visible.

Consider your group only. Answer the following questions in the table below:

- In your **honest opinion**, what was the *percentage participation* for each of the group members? The percentage numbers should add up to ~100%. Include yourself.
- Did each member contribute his or her fair/expected share?
- Would you want to work with this person again?

Number of members in your Group: _____
